## Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle-wraps, what his medicines are made of and verified by modern tests. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuritis, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Lowellville, Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

## MOB LED BY A NEGRO.

As was stated in the Gazette, Allen Brooks, an aged negro, was lynched at Dallas, Texas, yesterday, for assaulting a two-year-old white girl.

The mob which was led by an old negro burst into the court room in which Brooks was to receive a lawful sentence of guilty, seized him and tossed him through a second-story window, breaking his neck. His body was dragged through the streets by infuriated men, who hanged it to the Elks' arch high above the heads of the crowd.

With it all hardly a word was spoken nor a shot was fired. After Brooks was hanged Dallas, for nearly three hours was in the hands of the rioters.

The jail was stormed and death was threatened to three other negroes held on charges of murder. They had been taken away, however, and, after searching for them in vain, the mob dispersed.

Immediately after his arrest last week for attacking the child, Brooks was taken out of Dallas for safe keeping. He was returned yesterday and taken to the Court-house to await the calling of his case.

A great crowd gathered and when attorneys for the defense began an argument in behalf of a postponement of the trial rumors started through the crowd that a change of venue had been granted.

Concerted action followed. The court-house was charged by the mob. Scores of officers were overpowered, the locked doors of the court room on the second floor were wrecked and the negro, crouching in a corner praying, was seized by the leaders.

Those rioters who could not crowd into the court room surrounded the building, mashing mostly under the courtroom windows when the leaders announced that the negro had been taken. The noise was placed about his neck and he was pulled and thrown from the building, throwing his arms and legs about spasmodically as he fell to the earth. He struck on his forehead, 30 feet below the window. Whether Brooks was killed by the fall will never be known, for the moment he landed dozens of men jumped on him with their boot heels and stamped his face to a pulp. His body was likewise macerated.

A score of men seized the rope and at the head of the mob dragged the negro's body 12 blocks up Main street to an arch which was erected during the Elks' national convention in 1908. The corpse was run up to the top of a supporting telephone pole.

The police cut the body down five minutes later.

Fifty years' experience of an Old Nurse Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with never-failing success by millions of mothers for their children. It relieves the child from pain, cures diarrhea, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Twenty-five cents a bottle.

## WAR ON A. F. L.

Organized to fight the political activities and the interference of the American Federation of Labor in national and Congressional elections the National Labor Alliance, which plans a nationwide organization, was launched last evening at a meeting in Washington.

The utmost secrecy was maintained concerning the meeting at which were present several well-known members of Congress who have been opposed for reelection by officials of the American Federation of Labor; John W. Hayes, grand master workman of the Knights of Labor; several capitalists of New York city, and many persons who have been fighting the federation's effort to control political affairs.

The meeting was held behind closed doors, and not one of those present

## AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorma A. Smith, "with that awful backache and the bearing-down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief, and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

would discuss the proceedings. It was learned, however, that a full list of officers was chosen, with the exception of an executive board, and that a large amount of money was pledged to perfect the organization, and carry on the fight against the federation.

The National Labor Alliance will be backed by the manufacturers, who will furnish money for the campaign against the Federation of Labor.

The fact that the whole organization of the Knights of Labor which is the bitter foe of the American Federation of Labor, will be used to aid the National Labor Alliance in its warfare on the American Federation of Labor, presages a renewal of the strife which was once waged between these rival national labor organizations.

Nasal Catarrh, an inflammation of the delicate membrane lining the air-passages, is not cured by any mixture taken into the stomach. Don't waste time on them. Never mind how long you have suffered nor how often you have been disappointed, we know Ely's Cream Balm is the remedy you should use. All druggists, 50c. ## CONGRESSIONAL.

The Gallinger mail pay bill, to provide mail steamship lines between the United States and South America, the Philippines, Japan, China and Australia, was ordered favorably reported to the Senate.

After debating the postal savings bank bill all day without reaching a final vote, save on one amendment, in which the organization was overruled, the Senate took a recess until this morning at 11:30 o'clock in order to continue the legislative day of March 3, in accordance with the agreement to vote on the measure and all pending amendments on March 3.

The legislative, executive and judicial appropriation bill, carrying \$33,895,765, was reported to the House.

Most of the session of the House was devoted to the consideration of the post-office appropriation bill.

## OVERLAND CARS.

The greatest AUTOMOBILE demand in the history of the business is predicted for the season of 1910. "Only by putting in an order for your car now and specifying the date of delivery will we be able to take care of your order promptly. The shortage of freight cars, the scarcity of materials, the rush of spring orders, and the natural congestion of the automobile business in the spring all work together to prevent prompt deliveries. Therefore, order now and get your car when you want it."
